Features:

Welcome to your new home! This fully developed 1348 sq ft modified bi-level has everything you could ask for. The main floor features a large U-shaped kitchen with plenty of counter space & under-cabinet lighting, a spacious dining area, and a living room with hardwood flooring & a gas fireplace. Also located on the main floor are 2 bedrooms and a 3-piece bathroom. The primary bedroom is located above the garage and has a walk-in closet and a 3-piece ensuite bathroom. Recent upgrades include new paint and carpets in 2024. Feel comfortable year-round with central air conditioning and a heated garage. In the basement, you'll find a spacious living room with surround speakers, a large bedroom, and a 3-piece bathroom with a walk-in tile shower. The basement play area could function as a workout space or be easily converted to a 5th bedroom. The exterior of this home will certainly check all the boxes, starting with the extra-wide driveway that can accommodate large vehicles and RV parking simultaneously. New concrete sidewalks and landscaping lead to the private backyard oasis. The west-facing deck is partially covered with plenty of space for patio furniture, a gas line for a BBQ, and a massive under-deck storage area. Lastly, enjoy the picturesque view of Hidden Valley Ranch and those beautiful sunsets Alberta is known for. Call your realtor today for a private showing.
